#### 1.4 Comments

In case an athlete/NPC does not accept a selection of a Regional Winner or medallist (injury, or rejected by NPC), the next highest finisher in that event takes the Regional slot.

Example : If the Regional winner in the Pan-Am Championships – men class 6 did not accept the selection, he would be replaced by the Silver medallist in the Pan-Am Championships-men class 6.

If the Bronze medal winner is also rejected, the Regional slot shall go over to the Ranking slots and the respective Alternate player shall be moved up in order of ranking.

If medal winners are missed because no Regional Championships was organized, or an event did not have enough minimum entries, all those Regional slots are converted into Ranking slots and the respective Alternates are moved up in order of ranking.

If in the Ranking category, players are rejected by their NPC, the Alternates go up in order of ranking.

**An NPC does NOT have the right to replace a selected ranked athlete !**
