During practice and competition days, the transport started at 7:00 a.m., and a time schedule for transport was foreseen.

The transport was working very well with helpful volunteers on arrival at the venue.

Venue: CODE II

Playing hall:

Only one hall with concrete floor cover by teraflex , with 10 tables (5 wheelchairs + 5 standing)
 Digital score boards on two corners under the responsibility of MSL – very helpful people.

Call Room Area:

The situation of the Call Room was good but not enough space for so many people.
 The Call Room was not very well prepared and we had to arrange as well as possible.
 The Field of Play Manager – Nadia VACCARO – did a very good job with as consequence that all was running very well. Thanks Nadia.

If the relations between the TDs and the referees were a little complicated during the 2 first days, a very good collaboration started the day before as well as during the competition.
