

## **CLASSIFICATION PROCEDURE**

### **F20 and F50**

During Factor 20 and 50 (regional championships), the following system will apply:

- full classification for new players, for players under review and for re-evaluation requests
- all players who need to be classified must be present at the tournament 2 days before the start of the competition
- the classifications will start the evening 2 days before and will finish by 12:00 the day before the start of the competition
- the Classifiers will inform the Referee of the results of the classifications no later than 16:00 the day before the start of the competitions. The Referee can then prepare the draw for the singles events end of afternoon before the start of the competition.

### **F40**

During Factor 40 events, the following will apply:

- there will be no classifications
- 1 Classifier, however, will be present for the full tournament to observe players during competition and to identify any possible inconsistency in players' classifications
- in case of an inconsistency identified, the Classifier will officially inform the player in writing
- each affected player must within 3 months participate at a F20 or a F50 tournament to be re-evaluated. A protest cannot be made against the new class allocated!
- should a player not take part at a F20 or F50 tournament to be re-evaluated within 3 months, he/she will not be allowed to participate at any PTT tournament or Championships so long as not retested.

### **World Championships**

During these event:

- a panel of 3 classifiers will be present
- the classifiers will observe the players during the competition and are able to change the class of a player in case of an inconsistent classification
- the new class allocated will be effective immediately after the WC at the first tournament played.

### **PARALYMPIC GAMES**

Not any classifier will be appointed during the Paralympic Games.
