

T-Shirts for the Paralympics

Paralympic Games

The guidelines for the clothing for players participating at the Beijing Paralympics Games are now ready. Please see the wording of the rule below and the sample of the shirts.

"Clothing and equipment worn or used by table tennis players and other participants in the Paralympics Table tennis competition must comply with ITTF and IPC Rules.

Each player must have with him/her at least two sets of shirts and shorts in different colors. The name of the player (first letter(s) of given names + complete family name) and the three letters code of his/her NPC must be printed on the back of each shirt, covering a maximum total area of 40 cm² included in the upper 1/3 of the shirt's height.
