Evaluation:

Accommodations – Good level. In Slnava hotel stayed standing and class 4 and 5 from wheelchair players. This year, the first time, could OC to use the whole hotel Maj with 55 rooms well accessible for the wheelchair players. Meals, served in both of the hotels, were in the good quality. OC promised to have both of the hotels for the next tournaments too.

Transport - Good organized transport from airports to hotels and back. Therefore small distance among the hotels and Venue, OC didn't organize regular shuttle, but by the hotels and by Venue was possible to ask for transport. Minibuses were there always prepared.

Sport equipment - Good, ITTF and ITTF PTT approved.

Information: Good, on the information board and by the help of pigeon-holes.

Referee : very good and professional work

Deputy referees : very good and professional work

Umpires: Good team, well organized, without problems. Really – 40% of the umpires were from abroad!

Computer: Good team work – always in time and well.

Ball boys/girls Always the enough number, well organized and instructed.

Organization : Very good, always in time and very friendly.

Chemical toilets: Organizers had prepared in the hall 6 wheelchairs toilets and still they used 4 TOY TOY toilets outside the hall. This type of toilet wasn't the best for the tournament. Next year will be necessary to use different type or to change daily the chemical part of the toilet.

Org. Committee: Was helpful and cooperated very well.

Volunteers: Good team and very helpful.

**CONGRATULATION to Organizing Committee, volunteers and ball-children,
for the very good organized SLOVAK OPEN 2009.**
