Final evaluation:

1)

Presentation upon arrival time of countries was provided in the hotel.

2)

Organizing committee immediately cover all questions and problems.

3)

The timetable finished in approximately in time on the all days. We had playing plan from 9 a.m. to 21 p.m.

4)

Some countries tried to play team event by Round Robin and no KO Teams. Because actual Rules and Regulation do not allow any change in format of play we played Ko Teams.

After draw of teams some players did not show to the match (without any explanation to the coach or to the team partners) – mix team partner from different countries lost their chance get points.

RECOMENDATON :

For the future tournaments we recomend to the Organizer held their tournament in different season (May or September) because of cold condition in the Lignao region.

Thank you to the organizers for very well running tournament in Italy, Lignano.
