

## **2016 PARALYMPIC GAMES**

### **TOURNAMENT CREDIT**

### **IMPORTANT INFORMATION**

Due to the late publication of the requirements for the tournament credit, all players playing in Eger, Lignano, Amman and Lasko in single and team events or in single events only according to the final entry by name, will accumulate the tournament credit points for these tournaments.

Starting from Bratislava (final entry 13 April 2014), we ask all associations to follow the requirements written in the document already published regarding the tournament credit allocation.

Should a player not be able to form a team with the agreement of the TD and the Referee, the Selection Officer will officially be informed by the TD and the tournament credit points can be allocated.
