We had a big issue in the tournament with a virus which was in the Westgate hotel where the most of the athletes was staying because of the virus 13 of the athletes was effected by the virus was not able to finish the tournament or in the single event or the team event because of healthy issues. The latest news on TV in USA they did say that it was on the same time like the tournament effected with the virus more than 300 guests in the Westgate hotel. As the TD of this tournament my proposal because of this issue that we had in the Westgate hotel to ITTF would be to try not to punish this 13 athletes with the no show up penalty -35 points.
