CLASSIFICATION COMMENTS

1/ Facility for classification very good prepared, both room and equipment. Located in Hotel of accomodation of all players and PTT staff, very good accesible.

2/ According the PCF we classified total 23 players.

Classifications were done according the Schedule prepared with organisers, avoiding waiting in front of the classification room. Started 9th. of march 9 a.m., continuing all day long to 10 p.m., then next day 10th. of march from 9 a.m. and finishing at 6 p.m.

From this number was 8 reviews, 6 on demand of players, and 2 to change former standing classification to sitting, because of no possibility to play in standing more.

All others were new players.

Results after observation during tournament:

Reviews on demand of players /country/: 6, no change of class

Reviews from previously standing on sitting: 2, both eligible as class 5

All new players classified as eligible, 2 will stay under review, after 1 and 2 years.

Copies of all classification cards added.

Observations during single and team events were done for confirmation of class, one classification was after observation changed.

3/ Class 5 checking:

We did classification evaluation of 2 class 5 players classified in the past. Both were founded as eligible in class 5. /Copies of classif.cards added/

4/ Others:

We approved one non standard system of safety fixation, not giving any advantage of stability to the trunk in class 2, only avoiding falling down. /Copy of ICC added/.

Classification without extraordinary situations.

5/ Protest:

One protest against first classification result of one **new** player: Max van Amerongen /NED/ was submitted by the team leader with a deposit of 50,00 EUR fee to the chief classifier. Document and fee will be sent to the classification secretary to arrange protest resolution.
