XI. Final Evaluations :

- 1. The preparation of the Championships was very complicated this year. The place and date of A/ME 2003, was changed threetimes, during the year. This year was very difficult for ME part of the Region. At least, we had to use extra date only – as late as December – after the normal final date for „Selection“ WRL.*
- 2. I am really glad to can tell, the Organizers prepared for the participant very good condiction for the Regional Championship and I am very grateful them for it. Except the normal condiction (the accommodation, transport, Venue and organisation of the tournament), they prepared very good Open Ceremony, beautiful Medals Ceremonies and very nice and cordial Farewell Party, with the fair gifts for delegations and officials. **I would like to thank them on behalf IPTTC and I hope, on behalf the Participants too, for all they did for us in Amman during the A/ME 2003.***
- 3. Sport Assembly was at least at 8 o'clock in December 10th, and was successful. All of delegation participated there. Like A/ME Representative of IPTTC was elected Mrs. Alison Burchell (RSA).*
- 4. During the free half a day, OC organized for all of participants the trip to Dead see, with a lunch there too. I think, it was very pleasant surprice for the participants.*
- 5. H.R.H. Prince Ra'ad Bin Zeid was patroon of the Championships and practically daily he was comming in the hall. Always it was very stimulate for players and all of other people in the hall. He handed regularly the medals to vinnners always and players liked it very much.*
